

Are you...

- considering life as a pastor, preacher, missionary, church leader or evangelist?
- interested in training for youth work, pastoral care or some other ministry?
- wondering what it means to be “called to the ministry”?
- interested in some Bible college study for personal growth?
- involved in an apprenticeship or internship and want to go further?

We're Fanning the Flame again at the RTC in 2010

The conference has been a great success over past years and this year will be no different.

Fan the Flame has helped others with -

- * clarifying & defining God's calling for attendees
- * providing a clearer sense of what is involved in pastoral ministry
- * supplying tools for personal and group Bible study

We are praying for a new generation of pastors, preachers and church leaders to be raised up for gospel ministry in Australia, New Zealand and beyond. The need is great. The workers are few.

Fan the Flame is designed for people who are thinking about Bible and ministry training, and are wanting to look into training options and ministry possibilities.

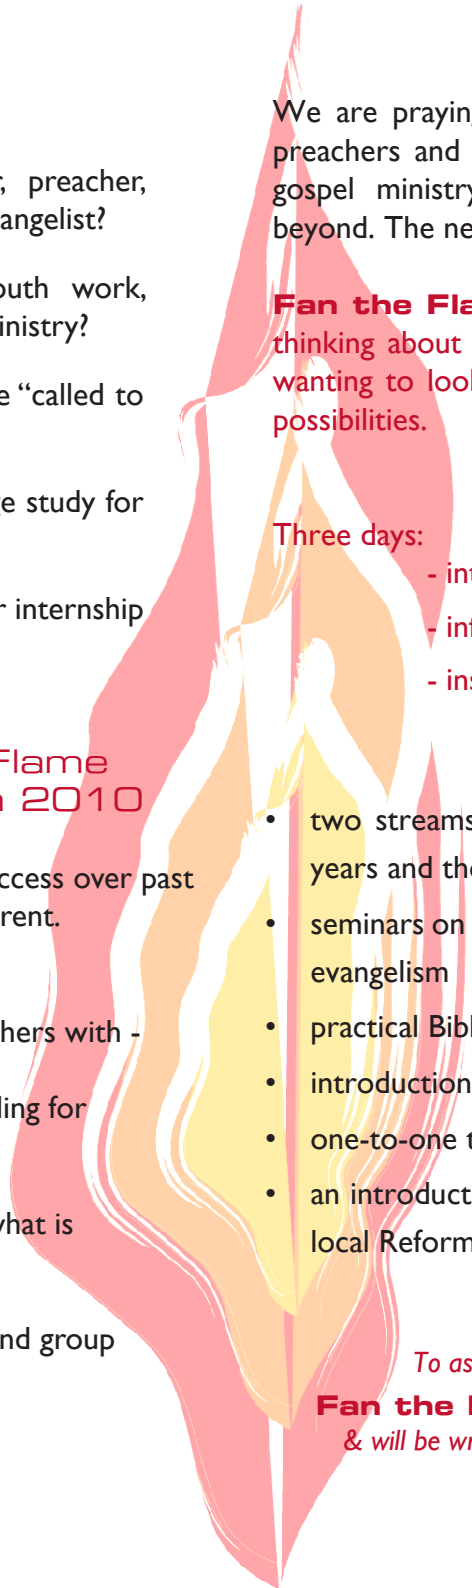

Three days:

- interaction
- information
- inspiration

- two streams - for those who came in past years and those coming for the first time
- seminars on leadership, preaching, mission and evangelism
- practical Bible expositions
- introduction to different training models
- one-to-one time with RTC lecturers
- an introduction to the RTC, Geelong and the local Reformed churches
